

Rally

Are you born with gasoline in your blood or do you want to get it? Or do you simply just envy the nice handbrake parking that you see in movies?

Vice Versa gives you the opportunity to acquire the driving skills that is required to drive a real rally can

All the cars for this event are rally cars, which all have been used in real rally races. All the cars are made for the purpose - well tested and live up to the necessary safety requirements for the different manoeuvres.

Among other things you will have the opportunity to test your-self behind the wheel in the following disciplines: Handbrake turning into parking bay; 0-100 in 5 seconds; slalom in high speed; slalom with handbrake turnings and time trial on course and manoeuvre course.

You will of course receive a thorough instruction by experienced rally drivers, who will make sure that you are well prepared and that all safety rules are being kept.

The event is going take place on closed courses and can be held in both the capital area or in Jutland.

The duration of the event is up to you, but it typical takes between 1 and 4 hours. Furthermore, it is possible to combine it with lunch or dinner.
