

Ruka

Ruka is an outstanding alternative to the destination in the Alps if you wish to combine adventure sports with the alpine snow activities. The natural beauty of the areas and the mystery of the far north make Ruka an exceptional destination. Ruka is located at the rim the polar circle and counts one of the most unrestricted areas in the world for snowmobiles. The exceptional nature and the possibilities found in this location will give you an experience you never forget. You will be accommodated in the brand new Ruka Hovi – directly on the slope.

Ruka offers great variety of adventure activities such as ice-climbing, ice racing, huskies, reindeer racing etc.

After a hard day work you can relax in the traditional saunas and finish off with a swim in the frozen lake.

All flights to Ruka pass by Helsinki, which gives you the perfect opportunity to combine this event with a visit to Nokias headquarters in Helsinki. We will be happy to accommodate you there and work this visit into your schedule.

Getting there:

Near the Russian border, 24 km (15 miles) north of Kuusamo. Access by air is from Helsinki to Kuusamo.

Meeting facilities are available upon request.
